PEOPLE OF THE
UNITED STATES:
HEAVEN ON EARTH
UTOPIA PARADISE

(CLASS ACTION LAWSUIT)

UNITED STATES DISTRICT COURT

PETITION NOTICE OF THE UNITED
STATES DEPARTMENT OF DEFENSE
MISSION TO ESTABLISH HEAVEN ON
EARTH UTOPIA PARADISE

"The (U.S.) Armies of heaven followed him
riding on white horses and dressed in
clean white linen." Revelation 19:14.

The United States Department of Defense
delegating mission and duty has always
been to bring and establish Heaven on
Earth Utopia Paradise. The compelling
purpose of the United States Military was
to protect the Holy Bible in the language
of understanding for all people by using
laws such as Copy Rights, Trademarks,
Library of Congress protecting a collection.

of books, edifice or apartment for holding books of Religions, History, Advance Science technology, social science, medicine, Law, and human knowledge of facts pertaining to any department of the human mind or all that matter in our skill resulting from education and training. The mission behind God the Father, Son and Holy Spirit can be summed up in the compelling purpose of making the Holy Scriptures readily available to all people throughout the Universe which is the whole body of things observed created by you and God the Father, Son and Holy Spirit(s), making the living Word of God's Law more easily available to all. The Holy Bible is God's living language of Law of everyday use created by you in hundreds of languages growing each and every year. Our mission has been the distribution and supply of the Holy Bible to be within the reach of all people. No military task in our call of duty is more important than reaching each and every person young or old on earth with the Word of God. "Then I saw a new heaven and a new earth. The first heaven and the first

earth disappeared and the sea vanished."

Revelation 21:1 The military's indirect mission protecting the First Amendment providing reasonable opportunities for all to exercise their religious freedom. The right of the free exercise of religion is the acknowledgment and obligation to GOD's true protected perfect Love devoting our lives of complete believe, honoring others with divine love and respect. "Dear Friends, let us love one another, because love comes from GOD. Whoever loves is a child of GOD and knows GOD." 1 John 4:7.

The U.S. Department of Defense within its Army has had Military Regiments such as the U.S. Army Corps of Engineers, U.S. Army of Georgia, U.S. Army of Invasion, U.S. Army of Northern Virginia, U.S. Army of Observation, U.S. Army of the Cumberland, U.S. Army of the James, U.S. Army of the Mississippi, U.S. Army of the Ohio, U.S. Army of the Potomac, U.S. Army of the Tennessee, U.S. Army of Virginia, and

the U.S. Army of the LORD which was

established on or about the early 1800's to bring Heaven on Earth Utopia Paradise as a large part of the Military's Mission. On or about 1861 U.S. Army Chaplain Crane in early August handed Colonel U.S. Grant a copy of the Daily Missouri Democrat and stated that he made the rank of Brigadier General, thereafter I do believe General Ulysses S. Grant and Chaplain Crane prayed that him and his soldiers were protected with the Soldiers Armor of the LORD.

General Grant and regimental chaplain James L. Crane had an intimate friendship that helped the U.S. Army have victory of the

War later in history. Another man of God with the LORD's Salvation was General L.

Polk who attended West Point who became a Episcopal Bishop in Louisiana, when the War started General Polk taken command of a Regiment and was called the Fighting Bishop.

"Now we know that everything in Law applies to those who live under the Law, in order to stop all human excuses

and bring the whole world under God's judgement." Romans 3:19. The free exercise of Religion is also guaranteed by the Religious Freedom Restoration Act, *Maddox v. Love*, 655 F.3d 709 (7th Cir 2011). When there is no military chaplain then the LORD chooses one that promotes himself to conduct services in the battle field at my discretion as a qualified minister to the religious needs of the U.S. Military Selective Service Armed Forces for the specific call of Duty. Therefore I determined and proved my qualifications conducting such religious services whenever possible as many soldiers sought my advise and counsel of Salvation & Perfect, Protected True Love, obtaining victory over coming the enemy as the Five Star General Carl A. R. Hitler with the Chief Warrant Officer Five Gary Ellis and or Jesus Christ the LORD of his Army with all of his soldiers in the U.S. Army of the LORD. "Because of the LORD's great love we are not consumed, for

When I enlisted in the Armed Forces at the age of Eighteen I was required to take a specified oath, and such oath must be taken before the President, the Vice-President the Secretary of Defense, any commissioned officer, or any other person designated under regulations prescribed by the Secretary of Defense. The taking of the oath was a pivotal fact in forever changing my life and individual status from a U.S. civilian citizen to a U.S.

Department of Defense Armed Forces Military Air Force Servicemember Airman. The enlistment and the taking of the prescribed oath subjectively me the enlistee to the orders and discipline prescribed for the United States of serving, GOD (the father, Son and Holy Spirit(s)) Country (and or all State Nations), Families (and or All Families) with Honor. Although the oath of allegiance

essential of all the facts of enlistment that are inferred where it appears a soldier of the U.S. Army of the LORD sometimes must go above and beyond the call of duty acting as such and receiving pay as a soldier of the U.S. Army of the LORD. Hence it may fairly be said that either receipt of pay or enlistment determines the military status of a soldier in the Army of the LORD and that the reading of the the training regulations, U.C.M.J., accepting the LORD's Salvation with Perfect Protected True Love is a requirement duty of all soldiers including the U.S. Military Selective Service soldiers of the U.S. Army of the LORD. No soldier liable for his training and service under the Military Selective Service Act may furnish a substitute for that training or service and no soldier of the U.S. Army of

LORD may be enlisted, inducted or appointed in an Armed Force as a substitute for another. Therefore a clean Chain of Command has been established without any break in U.S. Military Service. As a service-connected Service member from Active Duty Military Service based on the U.C.M.J.'s legal requirements of the regulations I have always been allowed to activate myself Active Duty or put on Inactive Reserve status therefore becoming the Five Star General of the U.S. Army of the LORD on 4 May 2015 is the highest U.S. Position as the only legal standing Commander and Chief and a short time later confirming this with the 2016 U.S. Presidential Election has incriminated all who have acted fraudulently upon you and your love ones but strengthening the perfect Protection of True Love of the strongest enduring power bringing solidity with measurable force of numbers by the U.S. Army of the LORD soldiers

Revelation 1:5-6

Establishing the most highest strongest powerful U.S. Law created by the LORD and his General Carl A.R. Hitler:

{ U.S. CATHOLIC,
U.C.M.J & INDIAN TRIBAL
COUNCIL ACT. }

Our freedom was brought at the terrible price of the lives of countless brave soldiers of the U.S. Army of the LORD. But what if we had been too afraid to fight? The Evil doers would still be in power. Much of this civilized

Earth would be in ruins. We would be isolated and eventually destroyed.

The act of being part of the United States as a man whether you are a guest, visiting, on a visa program, a natural citizen or a U.S. Citizen is an implied contract at the very least in our U.S. Military Selective Service Regiment and confirmed in the U.S. Catholic, U.C.M.J. & Indian Tribal Council Act. Therefore as it is reconfirmed all men on Earth are required to provide one another services of respectfully helping one another. "As I have loved you, so you must love one another." John 13:34 "Love your neighbor as yourself." Mark 12:31 By automatic logical understanding of both the U.S. Military Selective Service Act, & the U.S. Catholic, U.C.M.J. & Indian Tribal Council Act, every man becomes a Soldier in the U.S. Army of the LORD Regiment, according to the U.C.M.J. regulation manual. His relations to all states and or nations to the public at the age of eighteen are changed, he acquires a new status

(4)

with correlative rights and duties, and although he may violate his implied contract obligations and be subject to the U.C.M.J. just as myself and Donald Trump are subject to the highest military Law. Therefore, the status of all military men in the United States whether they violate a criminal law does not release them from being the status of a soldier that required obligation is unchanged.

Therefore a U.S. Military Selective Service Soldier can additionally enlist in a organized state militia in times of peace which is nothing more than an additional ordinary contract, and does not effect a change of status, thereby making the enlisted person subject to such laws as may thereafter be enacted governing the militia and the state has no power by the repeal of the law under which it was entered into which is the measure of the rights and obligations of the parties thereto, and the substitution of another law in its stead to impose upon the other contracting party more onerous conditions and obligations than those to which he has given his assent.

(5)

See: *Andrews v. State*, 53 Ariz 475, 90 P 2d 995 (1939). *U.S. v. Grimley* 137 U.S. 147, 11 S. Ct. 54, 34 L. Ed. 636 (1890). *State v. Fisher*, 174 Minn. 92 218 N.W. 542 (1928). 32 U.S.C.A. 302.

Military service is based on a duty owed to the sovereign may be compulsory and cannot be terminated at will. By statute, the state may require person to perform military service. Men liable for service in the militia are, subject to any exemption provided by federal or state law. As a ordained Catholic Father and Ordained Minister in the Church in God in Christ (since a youth my ministry has been all the theological or divinity teachings of my LORD Jesus Christ Jesus AKA: Gary Ellis found in the New Testament Holy Bible with the U.S. Department of Defense mission of establishing Heaven on Earth Utopia Paradise. Therefore the U.S. Catholic, U.C.M.J. & Indian Tribal Council Act. establishes the U.S. Most Supreme Catholic, U.C.M.J., Indian Tribal Council Court, and making myself the Most Honorable Military Judge Chaplain Five Star General on the bench of the highest U.S. Court of LAW.

Therefore, if I am the Five Star General which I am as a Religious Chaplain in the U.S. Armed Forces I am commanding the highest sequence of law which is the divine religious acknowledgement & our obligation to God's living word of Law. Furthermore, the chronological order of historical events and or successions chain of progression of the highest spiritual Laws establishes a clear chain of command that must be protected, with perfection and the most truthfulness Love of God's Law. Additionally the U.S. Catholic, U.C.M.J. Indian Tribal Council Act. establishes the U.S. Indian Tribal Bar Council & the U.S. Indian Tribal Congressional & Senate Council. "Now we know that whatever the law says, it says to those who are under the law, so that every mouth may be silenced and the whole world held accountable to God. Therefore no one will be declared righteous in God's sight by the works of the law rather through the law we become conscious of our sin." Romans 3:19-20.

Military service is based on a duty owed to the sovereign, may be compulsory, and cannot be terminated at will.

Service men liable for service in the militia are, subject to any exemptions provided by federal or state laws and regulations of the United States. All of our members of the U.S. Military Selective Service & State Military Reserve are subject to be ordered and or drafted to active duty during times of conflicts and other emergencies. The U.S. Laws provides that the Commander and Chief may call forth the militia to execute the law. The Uniform Code of Military Justice provides the Commander and Chief may by proclamation declare any part of the state and or nation may be drafted or ordered into active service into a description of the active militia deems necessary, to serve for a term and under the command of any officer to satisfy the mission. The Soldier must understand that there is hope in Christ. Salvation does not come by keeping laws or being good or just doing good works but only through belief, trust, confidence, conviction with strict adherence to duty with a pledged of honor in Jesus Christ. All have sinned but anyone who receives

(8)

Christ can be forgiven and accepted by God as righteous for their military commitment in the U.S. Army of the LORD.

"Therefore there is now no condemnation for those who are in Christ Jesus because through Christ Jesus the law of the Spirit who gives life has set you free from the law of sin and death."

Romans 8:1-2 Thank You all of the Soldiers of the U.S. Army of the LORD that have established Heaven on Earth Utopia Paradise.

"I write these things to you who believe in the name of the Son of God so that you may know that you have eternal life." 1 John 5:13

Restless Spirits

In China, ancient human sacrifice has given way to modern tomb-tending ceremonies, but the dead still make demands.

Ghost warriors, sculpted 2,200 years ago to accompany China's first emperor into eternity, were to serve in a carefully planned afterlife—along with bureaucrats, beasts, and entertainers.

research by Mark Humayun, an ophthalmologist at the University of Southern California and a company called Second Sight.

As is common with this disease, part of an inner layer of her retina had survived. This layer, filled with bipolar and ganglion cells, normally gathers signals from outer rods and cones and passes them to fibers that fuse into the optic nerve. No one knew what language the inner retina spoke or how to feed it images it could understand. But in 1992, Humayun began laying, for a time, a tiny electrode array on the retina of patients undergoing surgery for other reasons.

"We asked them to follow a dot, if they could," he says. "They could see it. They could see columns." After another round of testing, Humayun and his colleagues developed a system they dubbed Argus. (Greek for "A giant. Hundreds of eyes.") Patients wore a pair of dark glasses with a tiny video camera mounted on them, along with a radio transmitter. Video signals were beamed to a computer worn on a belt, translated to electrical

impulse patterns understood by ganglion cells, and then beamed to a receiver resting behind the ear. From there a wire took them inside the eye, to a square array of 16 electrodes gently attached to the retinal surface. The impulses triggered the electrodes. The electrodes triggered the cells. Then the brain did the rest, enabling these first patients to see edges and some coarse shapes.

In the fall of 2006 Humayun, Second Sight, and an international team increased the electrodes in the array to 60. Like a camera with more pixels, the new array produced a sharper image. Lewis, from Rockwall, Texas, was among the first to get one. "Now I'm able to see silhouettes of trees again," she says. "That's one of the things I remember seeing naturally. Today I can see limbs sticking out this way and that."

Pushing the neural prosthetic concept further, researchers are beginning to use it on the brain to help control limbs behind a project called BrainPort, attempting to wire the motor cortex of paralyzed patients directly into a
